

The VTT logo consists of the letters 'VTT' in a bold, white, sans-serif font, centered within an orange square. The background of the slide is a repeating pattern of stylized, interlocking shapes in orange, blue, white, and black, creating a sense of movement and depth.

VTT

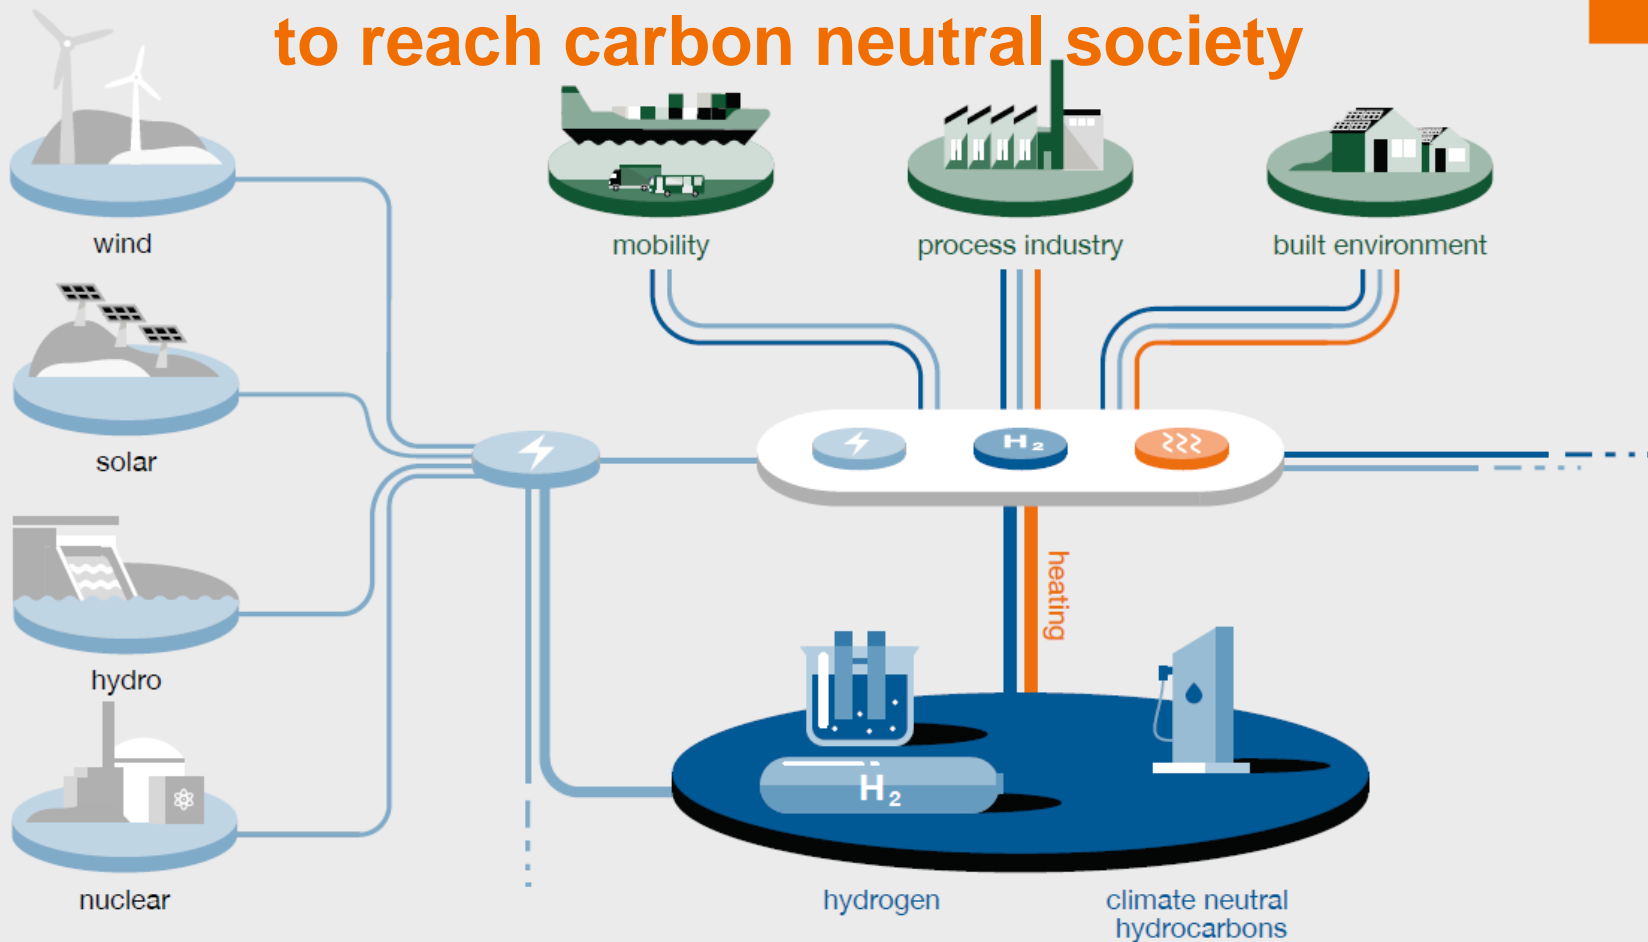

Building nuclear energy together

Jussi Manninen, VTT

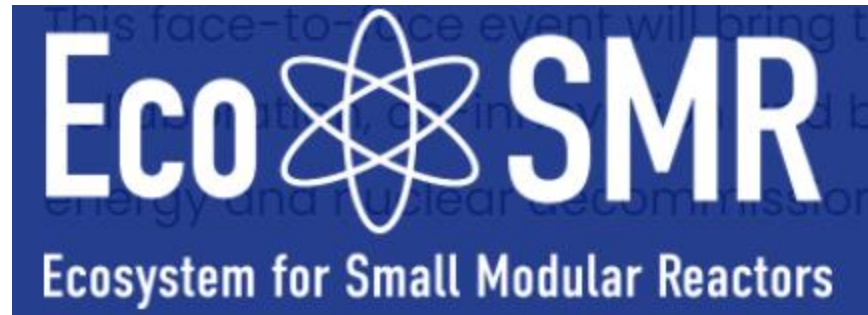

Open Business Day 2022

06/05/2022 VTT – beyond the obvious

Nuclear energy is an essential part to reach carbon neutral society

“Finland has a reputation as a competent, reliable, and efficient player in the nuclear industry, from nuclear power plant (NPP) operation, nuclear waste management and regulation all the way to research required to make new nuclear happen. We are in an excellent position to create new business for Finnish actors through collaboration and networking.”

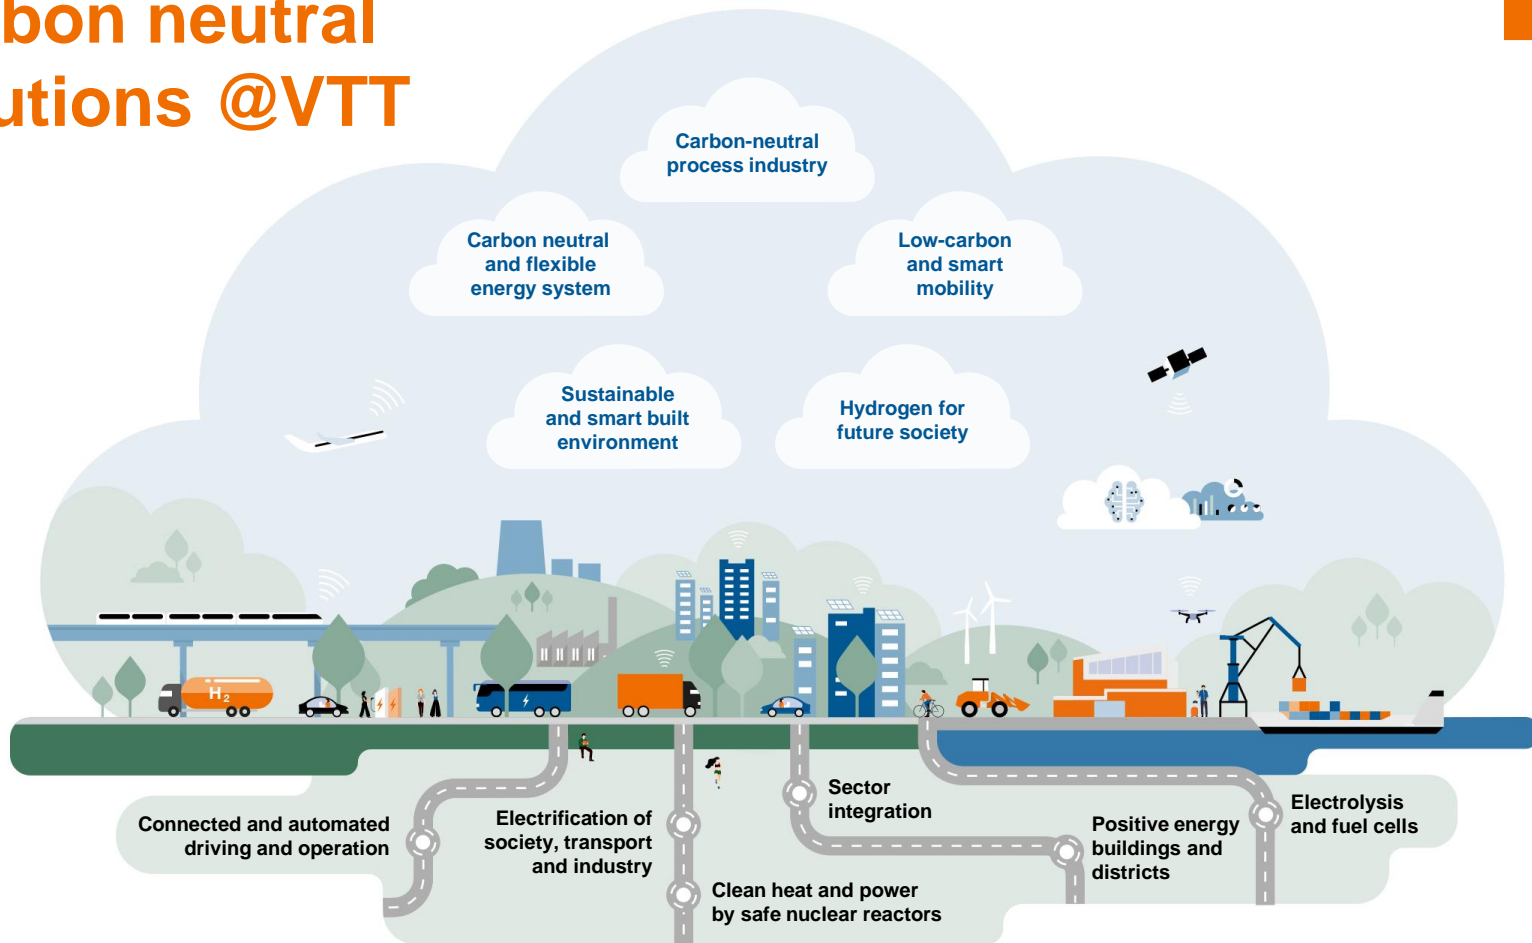

finnfusion

The logo for finnfusion features the text "finnfusion" in a bold, black, sans-serif font. The letter "i" is stylized with a blue sunburst or fan-like symbol integrated into its structure. The entire logo is set against a light gray background.

OUR PURPOSE

We bring together people,
business, science and technology,
**TO SOLVE THE WORLD'S
BIGGEST CHALLENGES,**
creating sustainable growth,
jobs and wellbeing.
